War Veterans to Work for the Soldier Ticket.

TO REPORT FOR DUTY ON TUESDAY.

They Will Min the Polls for Gregg and Morrison.

A Perfect Organization of the Sixty Thousand Veterans of Pennsylvania Who Look Upon This as Their Own Campaign and Prepare for Victory.

No small part of the work of the political campaign in this state, which will end next Tuesday devolved upon veterans of the union army and navy. quiet and thorough canvass has been made of every county and precinct in the commonwealth in the interest of the "soldier ticket," as the Republican state ticket has been designated. An army of earnest and enthusiastic veterans have been organized. They have enlisted for a patriotic and the properties of the Hibernian Bank. Pligman was formerly a clerk at Ber-lin, but was dismissed from his post on a patriotic and non-partisan campaign for the election of General Gregg and Captain Morrison to the positions of anditor general and state treasurer re-

comrades, Gregg and Morrison.

The work of organizing this great

The work of organizing this great body of veterans has been carried on entirely independent of the Republican state committee. It has been done carefully, thoroughly and with true military promptness and precision.

The Susquehanna has been made a dividing line of the state, and the east and the west have been managed from separate beadquarters. The war veterans' campatgn committee have had a force of clerks at work for weeks under the direction of Captain John Taylor and Captain Lewis W. Moore, at 1239 Chestnut street, Philadelphia. The Gregg and Morrison War Veterans' club of Western Pennsylvania, with headquarters in Pittsburg, with Colonel A. P. Burchfield and Major William H. Lambert, president and general secretary respectively, has covered thirty-one counties, mostly west of the Alleghenies. Badges have been distributed to the veterans to be worn at the polls. the veterans to be worn at the polls, OLD SOLDIEUS AROUSED,

All reports show the greatest enthusiasm among the old soldiers. General Gregg, the cavalry hero of Gettysburg, is justly credited with having on that memorable day, by his brilliant and brave services, checked the invasion of the rebels and saved Harrisburg, Philadelphia and other large citize of the delphia and other large cities of the Reystone state from falling as their prey. To the gallant and heroic work of the great body of the army full credit must always be given. Upon them, after all, fell the burdens of the war. As one who started out with a music ton his shoulder and by stardy devotion to duty and brave and valuant work in action, secured deserving promotion, Captain Morrison should command Captain Morrison should command respect and sympathetic support of every survivor of the civil war. His popularity, particularly in the west, will bring him many Democratic votes. The Democrats have been scheming to strike him down by attempting to hoodwink the farmers into voting for Harrity's Deputy Secretary of State Tilden, but the returns from the counties indicate that the farmers will not be entrapped into voting for a man like Tilden, who is falsely parading as a farmer when he has no just claim to the name. name.

This is not an off year in Pennsylvania. The year preceding a presidential election has never been and never will be an off year in any state in the Union. No Republican can afford to neglect to vote next Tuesday.

CAMPAIGN CHAT.

This election affords the opportunity for the war veteran to make himself felt.

Nine Democratic state treasurers in southern states have stolen public funds amounting to \$2,440,000.

We think Gregg and Morrison will be elected by a rousing majority. Where is the Republican who is going to vote against them?

Captain John W. Morrison is expected to lead the Republican ticket in Alle-gheny county. He will get many Demo-cratic votes there.

The Veterans' Club, of Meadville, composed of comrales irrespective of party, have decided to vote solidly for Gregg and Morrison.

Has anybody heard of any Republican who is going to vote against the Republican ticket this year? Not one. They are all for Gregg and Morrison.

Every workingman should vote with the Republican party that passed the anti-conspiracy law, the semi-monthly pay bill, the company store bill, and other measures asked for by the labor organizations.

He intimated in his letters to Mr. Box that he had been informed of them by some Buffalo person, and that \$1,000 would be the price of allence.
